- Teamwork and Leadership quality.
- Strong understanding of industry trends and content management systems.

EDUCATION AND TRAINING

Software Development Job Ready programme

Industry Connect, Auckland, New Zealand (Mar 2017)

- Completed 6 weeks training program on application development using .Net Framework.

Bachelor of Technology (*Information Technology*)

University of Calicut, India (2009 - 2013).

- Completed Bachelor's degree from a well-known University in India with Grade point 6.7/10.

PERSONAL INTERESTS & HOBBIES

I have a great interest in travelling and exploring new places. New Zealand is one of the best places for that. Also, I love spending time with my family and friends, playing games and hanging out. If I have time left I would take it to sketch something on a canvas.
